

To Whom It May Concern:

The Let's Live Healthy Lifestyle Coalition writes on behalf of supporting the Build Grant Project (BGP) involving the two major roadways; Manufacturing Drive and Bluff Boulevard. The LLHC coalition has a master plan including action plans in three areas – Move More, Eat Well and Feel Better. The BGP will benefit the quality of life specifically supporting the Move More action plans.

1. Sidewalk Maintenance Plan
  - a. Increase pedestrian and cyclist safety
  - b. Increase physical activity and improve fitness
2. Increase use of the bike network
  - a. Increase cyclist safety
  - b. Increase the number of people using the bike lanes/bike paths

The LLHC is made up of community leaders that are working to improve the health of the Clinton area. Members of the coalition consist of: ISU extension office, ASAC, Superintendent, City Manager, Assistant City Engineer, County Board, Public Health, Mercy Medical Center, YWCA, Clinton Community College, Clinton and Fulton Schools, PTO, and HyVee.

Respectfully submitted,

Andrea Barnett, MSHP, CWHC
